Ms Ianine Ramsey 62 Omapere Street WHIT BY NEW ZEALAND

Dear Ianine

On behalf of the Executive of AUSTSWIM WA, I would like to thank you for your efforts as the keynote speaker at the Annual King Neptune Seminar.

This 2002 seminar was the most successful we have held and, we believe, you may

justifiably claim a large part of the credit for that. The demand to attend was such that we had to cancel our original venue booking and move to another with double the capacity. Even then we had to turn away a large number of late applicants.

Your keynote address on Attention Deficit Hyperactivity Disorder (ADHD) was extremely well received. Some 90 of the 112 people attending completed a questionnaire, after attending and every one was fulsome in praise of your input. The comments

around the information given and the preparation and presentation of the address,

AUSTSWIM WA is grateful for your efforts and hope there may be future chances of having you join us as a speaker.

We wish you well in both your swimming business and lecture tours.
