COMMENTS

Very engaging

Made you think! Great fun! Great tips

Great fun

Great presenter, bit rushed for time allocated - Gave us something to think about

Very informative. Lots of useful info

Showed the point well

Fantastic - lots of fun and very informative

Excellent presentation

Great

Interactive and fun

Very helpful

Fantastic!! Great presenter

Very Vibrant - subject overdone now

Would have been more effective with a smaller group. Unfortunate that the most important part of the presentation was the last point

which ended up being rushed. Would have like to spend more time hearing about strategies to work with different personalities.

Good involvement of audience and got the message across

Great fun

Absolutely loved this interactive session - great presentation

Fun and interactive

Excellent games. Brilliant yet again!!

A real insight into personalities

Despite a hard room (set up) - she managed the groups

Very good can use this in other areas of life

Janine Ramsey brilliant!! Very informative.

Excellent presentation which encouraged audience interaction and fun

Fun reflective class

Good interactive session. Fantastic set us up for the weekend

Great lecture

Always a good presenter.
